The Lady:

See her site and you have a hint of the lady. Really felt a frisson with her actually in the room with me. Her straightforward friendly manner only added to the allure.

The Story:

Olivia had me in her thrall the whole time. Outside I do find myself attracted to her sort of woman, and Olivia is the perfect example of a very attractive woman happy in her own skin and open to giving you a brilliant time.

Cuddles and kisses to start with, fondles, tweaks, more kisses...

Enjoyed, delighted in every twist and turn.

Lovely chat afterwards with a seriously bright lady with interesting conversation.

I was very quiet for me in word and act - loving every minute.

See her site and you have a hint of the lady. See her in the room and you have a hint of paradise. :)
