The Story:

Jasmine arrived on time. Not as petite as I was expecting but still a head turner 19 and speaks almost no english so communication was not easy. New to London from Latvia and in the city to study english. Since we could not talk I went in for some FK followed by BBBJ - very inexperienced and I had to take charge. Sex in various positions until I finished in doggie. Another round of BBBJ followed by sex in various positions. Friendly girl with a good attitude however inexperienced in her profession and I would give her a few weeks more to get the lay of the land.
