The Premises:

First time I've been here, so I got a little lost. If you want to enter by the front it's on a busy main road, but there is a back entrance.

The Lady:

Nice looking curvy MILF type who's got to be mid to late 30s. Jessica was very friendly and seems to enjoy what she does.

The Story:

I had the horn today and thought the itch would have to go unscratched. However, an unexpected detour through Crewe made me remember about a place on the Nantwich Road.

I had a pretty good time with Jessica. She showered me with big sloppy French kisses that had me double hard. I enjoyed some equally sloppy owo before slipping in the cover and steaming into Jessica in the mish position. This gave a great view of my cock sliding into her pus, as she really got her legs right back against her chest. Wish I could have lasted to try a few more positions.
