The Story:

Wonderful relaxing massage. The time spent with heather is sexy, erotic and fun. All the usual., massage, front and back, oral(covered) reverse oral. But, my friends, i don't know why I go there and not to Karens where yu ahve bbbj and kissing--none of tha there--yet heahte ris the attraction--she is by far the most attractive wg i have met. The gallery now have 4 girls on all day--and i have to say all of thm were lookers--really spoilt for choice-but ladies, really no kissing and bbbj????
