The Premises:

Easy to find from the M65 motorway. Terraced house in town a few miles from Burnley. Felt like a safe area. Parking outside the house, but easy parking around the corner near the park too.

The Lady:

5 foot tall, 10.5 stone, Dress size 12, 36b breasts and completely shaven.

The Story:

This is the 2nd time I have seen Belanna, and hopefully won't be the last. Belanna will do all the things your gf / wife won't and more! Gave me some great oral sex in all sorts of positions and swallowed cum as well. Loves to be spanked on the ass and breasts. The key to pleasing her is rough treatment of her nipples. A great kisser and very very submissive. I ended up fucking her over the end of the bed with her wrists fastened tightly behind her back with leather cuffs. I pulled tightly on the cuffs at Belannas request to stop her moving and also held her high heels to keep her legs spread. All in all an amazing time :-)
