The Lady:

Not like her photos (although they are of her), she's much more natural in the flesh. Small, slim and always smiling.

The Story:

After a warm welcome from Leila I handed over the cash and stripped off. She shared a shower with me to get me scrubbed up and helped me dry off afterwards.

Into the bedroom, she rubbed herself over me delightfully before getting down to some wonderful OWO. After a good stint she asked me if I wanted rimming. As reported before, she excels here and after 20 minutes or so of full on tongue work, I couldn't take any more and got her to give me more OWO ending with a great CIM.

She cleaned up and gave me a very relaxing massage, before getting things going again. More brief OWO and on with a condom for sex in several positions, moving from the bed to the couch at her request, and finishing in doggy with her egging me on all the time.

I didn't try her A levels but will be back soon to give it a go. Great session, she's a lovely girl, enthusiastic and highly skilled.
