The Premises:

We all know the place and no I dont have shares in the HO!

The Lady:

Another new young lady employed here and yes, another success story! She is rather petite, with small boobs and highly sensitive nipples that love stimulation! Black haired and at a guess 18/19 years old. Pretty too! Smooth down below too and very responsive to RO!

The Story:

Very slim and delicate young lady who was very easy on the eye indeed. We had various enjoyable things although a very tight condom did make matters a little restricting and when we took it off, the return of my bloodflow was very welcome!

OW was very good indeed (shame she doesnt do it without as that would have been WOW) but to criticise her would be very unfair on her. A very lovely girl indeed, pleasant and so petite and I enjoyed myself very much.

Fiona, you need to run a schoolgirl theme day with ideally any 3 of Angel, Becky, Nicola and Tiffany.. god that would be heaven and I would happily get my bum spanked by any of them!
