### The Premises:

Abi has a nice clean house with air conditioning, subtle lighting, background music with adjacent parking.

### The Lady:

Abi is a very attractive, sexy lady with a very toned, firm slender body. Easy to chat to with a great sense of humour and mischievous smile.

### The Story:

Abi answered the door dressed in a sexy figure hugging dress highlighting her slender figure, with high heels.

Welcomed in with a kiss, we sat on the sofa, offered a drink and we easily chatted.

Abi then offered me a massage so I undressed, Abi removed her dress ? wow Abi does have an amazing figure which was wrapped in sexy black lingerie with suspenders showing her very pert bum mmm.

Abi gave a great massage with her sitting astride me -

I turned over and Abi continued the massage and onto a delicious owo, very slow & sensual, then we moved onto reverse oral so I could look and caress her beautiful bum and taste her shaved ladygarden, which she also seemed to be enjoying ? heaven.

We stopped for a little drink & chat, then onto more action, I massaged Abi?s beautiful naked body, then she said now your turn and Abi gave me a very slow sensual oiled handjob (as I asked for) caressing my swollen balls till I exploded ? absolutely amazing.

We lay on the bed had another drink & chatted while gently caressing each others bodies. I then went for a shower.

Abi truly wants you to have a great pleasurable time together which she easily achieves with her skills and relaxed manner.

I must admit I usually meet older ladies but looking at Abi?s profile it comes across as a young lady with a mature head on young shoulders ? so glad I did meet Abi ? she provided exactly what I enjoy, sensual, sexy gfe with a mischievous twinkle in her eye.

Looking forward to meeting lovely Abi again soon ? thanks xx.
