Tammy is an amazonian goddess - lovely tight body and quite tall too

The Story:

Tammy was an amazing punt. She has a fantastic body and loves to fuck. Only managed to have one round - though no fault of hers - and still enjoyed all my fav positions. She had a great attitude and was up for almost anything - best memory was her standing in heels bent over the bed while i was pounding her from behind all the while she's yelling to fuck her harder - what a lass! Only slight downside was her enthusiasm whilst great fun seemed a bit "chemically" enhanced - so she was really bouncing off the walls when I got there, but once on to the sex - wasn't a problem. Wasn't there for the conversation, and the shagging was phenom
