The Lady:

have had mixed experiences with this agency in the past. the lady who showed up at the door was definitely not the lady on the website, but good enough. It was not the first time I had gotten the bait and switch with this agency, but generally their girls are ok, and I had the option to leave, but decided to try it out - my mistake

The Story:

The girls wasn't that enthusiastic about the punt and her english was terrible. everything was so-so, from oral to the sex. no real passion or attempt to fake it. once over, i felt uncomfortable enough to exit asap. chalk this one up to lifes lessons
