The Premises:

Usual scorpio, clean enough, but Ian could spend some money on the heating!

The Lady:

Slim, petite, gorgeous blonde, tall in her heels but just a wee honey out of them! Not busty which is my normal like but more than makes up with it.

The Story:

Seen Taylor many times before and I always leave a happy man, started off with great oral, ankles crossed over her back, holding the top of her head and for very deep face fucking! Then moved on to anal in doggy position, nice and slow at first then built up a head of steam, nearly shot my bolt there and then but slowed it down to prolong the feeling, then went slowly for a bit making sure every inch was in and could feel my balls slap off her clit which was very nice! Sped up again for a bit before taking the condom off and finishing with a bucketload down her throat!

A very very sexy lady who gives her all in the room! be nice to her!
