The Lady:

Claire is absolutely gorgeous and, I would say, has a size 10 figure. I would put Claire in her early 30's with long brown hair. Her website photos doesn't show all of her face but what can be seen in the photos is fantastic and when she arrived she looked even better in person

The Story:

Looking at Claire's website it wasn't a difficult choice to make and so I made arrangements to meet her. Claire arrived spot on time, with a gentle knock on the door. When I opened the door her looks went well above and beyond what her website hinted at. We immediately engaged in heavy kissing then sat on the bed to discuss how the evening would go. Once sorted it was lying back on the bed engaging in more heavy kissing. While this was going on Claire was cleverly separating me from my clothes then her own. She revealed her fantastic 34D breasts and her fully shaven honey pot. Sir Percy was by now standing to attention which Claire noticed and started massaging him with both her hands. I couldn't resist the temptation to play with her oh-so-smooth honey pot which became moist. Then Claire's mouth gave Percy her full attention in true OWO style. It was almost enough for me to just lay there and lazily enjoy the evening but I decided it was time to pay Claire's honey pot some oral attention. She seemed to be enjoying it judging by her quiet moans and by how far she spread her legs ? the view was fantastic. We then engaged in 69 mode with Claire straddling above me ? what an even better view. As that finale began to approach it was time to stop Claire and to put on the topcoat. Then in true missionary position while kissing Claire I completed. We then lay on the bed chatting like a couple who had known one another for a long time. Sadly, although we overshot the 2 hours, the time came around all too soon. Treat Claire with respect gents because she will give you an experience you will never forget. Recommended: Oh-Yes !!
