The Premises:

Luxuriously furnished flat above a shop on a main road. The entrance is via a very exposed wrought iron stairway to the rear. Parking is available in local streets, it is also near to Elmers End station and local bus routes.

The Lady:

Two girls were available - Apple, who I had a pleasant session with recently, and Lara, a Brazilian girl said to be Lola's (mentioned in my Apple FR) cousin.

I chose Lara, as I like variety. Petite, with small natural breasts, but otherwise nicely rounded with a very caressable and smackable bottom. No aroma of cigarette smoke as with her cousin. Dark hair with tight curls and highlights. Smiling, bubbly and very enthusiastic and sexy personality.

The Story:

Wow! What a little Fire Cracker! This girl is sex on legs! She professes that she does not just do this job for the money - she really adores sex and even moreso if she clicks with the punter. Well we definitely clicked!

Plenty of foreplay where she revealed that her nipples still express a little milk, only a dribble mind but still very welcome and sweet to the tongue! I then got down to give her pussy some serious treatment with my tongue and she asked me if I would like her to squirt! Well she was like a little drinking fountain! Pee mind you, but very delicate and sweet.

Finally we got to the main course where I gave Lara a really good pounding in doggy - she begs for it hard and deep, all the time I was slapping her lovely curvy and smackable backside.

Eventually I came to a very satisfying climax.

Highly Recommended - I can't wait to return!
