The Premises:

Nice flat behind shops with back metal staircase. Chose upper room as was secluded. Had to wait 20 min as she was busy, and so was given cold beer. Two girls, Lola and Nicky working.

The Lady:

Quite tall blond German girl with friendly sexy face .

The Story:

Agreed service opted for A Level with sex, gave her present and off she went and came back in 5min. Took my shirt off and grabbed my togger and undid jeans buttons. After brief sucking of my cock came to full mast. She parted her legs to invite me lick her off and boy she moaned as I savored her fresh pussy. Inserted two fingers she was wet as anything. On came condom and lubed her rosebud. Took her in doggy and could feel tight grip on my fellow as massaged her clit at same time . Fucked her arse vigorously and came deep inside her. I could see she too enjoyed it too, and left with smile and drained.
