The Story:

Having arrived ten minutes early found myself followed in front door by another punter my fault should have arrived a couple of minutes later and avoided embarrassment to either of us .Sat in kitchen with a cuppa made by Lottie then into bedroom for Elise . Pictures on site cannot really convey Elise you need to go and see what you are missing. She is warm attentive and kisses nicely she is like a slow burning candle you don't want to go out.We climbed onto the bed for more kissing and cuddling then having groped her tits and sucked her nipples it was knickers off for some rubbing at her clit then some oral on her which with the groans i,m sure she enjoyed . Then some oral without and handjobbing for me and out with a rubber and into cowgirl to finish . As earlier reports state half and hour isnt long enough with Elise you need a good hour or so will i return absolutley !!
