The Premises:

Discreet house in normal street just on outskirts of Walsall. Was welcomed by Kim & shown to room.

Kim was wearing a white dressing gown which hid her 'assets' but the walk up stairs, Kim chatted away to make me feel relaxed.

The Lady:

Stunning - 5-7" golden tanned, honey colour which was offset by pure white sexy underwear. Kim is mid 40's which is hard to believe I would take 10 years off that easy.

A pretty but not stunning looking lady, and that's not being insulting, normally I go for fuller women, Kim is slim with pert small tits but cracking nipples- all in all was well happy with her appearance.

The Story:

After getting the payment out of the way Kim & I lay on the bed, kissing, oral, 69's, fingering, great sex followed, with me finishing giving Kim a 'spunk shower' her words not mine.

She is simply fantastic - she is a great GFE and watching her ride me reverse cowgirl was mind blowing

Didn't want to file a report as wanted to keep her 'my' secret but Kim asked as a favour so was happy to do so.

Will I visit again - I can't wait
