The Premises:

Ground floor tenement flat in quiet location - equidistant from Kinning Park & Cessnock underground stations. Travelled by public transport but appeared to be ample free parking in surrounding streets. Flat itself was very clean - with showering facilities.

The Lady:

Archetypical Thai girl - slim & petite with long, dark hair and pert breasts. Advertises age as being in mid 20s - looks a little older though - perhaps late 20s/early 30s.

The Story:

Arrived a few minutes early and was ushered into a "waiting room" by Rosy's male friend/minder. Spent approximately ten minutes engaged in chit-chat whilst Rosy apparently showered. His grasp of English was limited but he seemed friendly enough. I'd imagine many punters of a nervous disposition would find such a scenario quite uncomfortable, though.

Was eventually shown into Rosy's room and greeted by a long kiss. Passed over the ?60 fee, quickly got undressed and then straight on to business.

Lots of kissing and caressing followed...but she was reluctant to let me use my fingers 'down below' which was a bit of a disappointment as this is one of my favourite activities. We moved on to a ten minute uncovered oral session which was very pleasant indeed - finishing off with sex in various positions.

I'd have no hesitation in recommending Rosy. She's very attractive, attentive & willing to please - the only downside being the lack of 'fingering' action but she more than makes up for this with the other services she provides.
