### The Premises:

Firstly the owners of Annabellas really do need to take a trip to Sandys Superstars in Manchester to see how a professional parlour is run, throughout my time there we had constant banging of doors, very loud talking amongst the girls and clients, a receptionist who walked the corridor talking loudly into a phone, and I assume a communal shower, the bedroom is very small with bed ends on the bed, how is a 6'2" guy supposed to perform RO I don't know, not exactly a good impression or conducive to a good relaxing time.

### The Lady:

Well sorry but Chloe is neither mid 30's or a size 12, more like mid 40's and 14/16 sizewise, there was very little conversation during our time

### The Story:

This punt was so very disappointing, there was very little communication between us, we started off with a kiss and cuddle but Chloe does need to use a different mouthwash, or she's a smoker, her breath was quite bad, a quick session of cramped RO, those bed ends again, with fake moans and pretend to come scenario, some fairly good OWO after half a tube of ky jelly was applied to my privates, to be honest by this time I wanted to leave, a quick 2 position shag and I made myself come.

Now this was all completed within 20 mins of a 1 hour punt despite me telling Chloe it was a cum once booking, so a short average massage followed just to fill some time, with the other half of the tube of ky jelly applied to my back. I got dressed and left and was back in my car 40 mins after I had left to go to the booking.

After an average booking with Carla on Friday then if this is the best example of a down south parlour then all you guys seriously need to move north. My only two experiences of the HOD empire this weekend and one I will not be repeating.

## Service Provider's Rebuttal

Chloe writes:

Firsly I must say that there were no doors banging during this appointment as the rooms were all in use. The receptionist does not walk up and down the hallway talking on the phone out of respect for the clients who are in appointments.

This client was given the only room available at the time of his arrival, which is a double bedroom (as are all the rooms here). We do have larger rooms but they were all in use. This client was most certainly no where near 6ft 2" as I am 5ft 8 and wearing 4 inch heels I was looking down on him by more than a couple of inches. I do try to engage my clients in conversation but it is rather difficult when someone does not really respond. I asked the guy how many times he would be able to come during the appointment and he informed me that 'nowadays once was it for him', fair enough. I do offer dfk but this guys lips felt sticky and gluey so I did refrain from using my tongue despite him trying several times to push his tongue into my mouth. If I had bad breath then why would he continuously do this. I then asked what in particular he liked to do, his favourite things to which he said "dunno, most things really, nothing weird". After two minutes of RO he stopped and I offered to return the favour, I did have to stop several times as the guy told me he was on the edge and complimented me on how good I was at oral. After 20 minutes I took a breather and asked what else he wanted to do for a little while (as I didn't want him to come yet as we had only been in the appointment for 30 minutes). He said that he wanted the condom on as my bj had made him so horny. He said he wanted to fuck doggy, which we did for about 5 minutes then he came and told me that he hadnt meant to come so quick. I cleaned him up and offered a massage which I gave with baby lotion, as always unless requested not too. I offered to massage his bum and legs as he was stretched out on the bed (feet not butting up against the bottom of the bedstead) but he declined saying that my massage was so soothing that he was almost asleep already and that he had to get going as he had a meeting. I offered him the use of the shower so he would be nice and fresh for his meeting but he declined. I would like to say that I always put 110% into giving my clients the best possible time with me as my honest and correct field reports show and am very disappointed that this guy has been so dishonest in his field report about me.

Just one more little thing, I'm size 12/14, depends where I buy my clothes and I am in my thirties.
