The Lady:

Beautiful English lady, once in a while is always good to see that we have too some beauty.

The Story:

There is no doubt that we went along pretty well, it was a relaxing session that was quite good to recharge after a few very long days at the office. That day i wasn't looking for anything in particular, just for a very nice, well spoken doll. That' s what i got, Demi was a real peach. We kissed and cuddled, she relaxed me with a good massage then with a fabulous blow job. I paid her back licking and fingering her pussy until she came then we had sex, whilst i was shagging her she moaned delightfully, her lips were so tasty. I recommend her as a true classy girl.
