The Premises:

I have been meaning to look up Funplace for some time - the website looks great. The reality is just as good. Great for parking and easy to find. Clean, well furnished and the staff make you feel very welcome.

The Lady:

Good looking, slim, natural breasts, great figure with a bubbly Mancunian personality.

The Story:

Chantel greeted me with a very welcoming kiss. She gave me a sensuous massage before proceeding with a mindblowing blow job.

Gave my balls a lovely licking and a demonstration of her sword swallowing technique!

I felt I had to give her some attention so I gave her gorgeous pussy a good licking before we moved on to sex.

I managed to hold out through a variety of positions but eventually could hold on no longer.

I left exhausted and very satisfied.

We had a nice chat, Chantel was in no hurry to see me out. Definately recommended and I look forward to seeing Chantel again - and again.
