The Premises:

Her place is very clean and well kept, and overlooks the Barbican area of Plymouth, with good parking nearby in both a car park and nearby street. Entrance on the main road but very discreet. Felt very safe.

The Lady:

Ellie is very attractive, blonde, blue eyes, great boobs and a delicious curvy figure. She has just returned from holiday and has the most amazing tan with very few white bits.

The Story:

I spent an hour with Ellie and won't say too much about our time, except she offered a nice relaxing and competent massage before engaging in the main event. Ellie is exceptionally easy to get on with, very friendly and what can only be described as the GFE experience you probably have always hoped for but never found. A stunning girl who I will return to again. Treat her well, she's not only fun to be with but very hot and worth the visit.
