The Premises:

This is in a lovely village in Hertfordshire which is in easy reach of M1 and the A1. Loads of parking nearby and very safe and discrete.

The Lady:

Eva is a delight and pretty much as described on the website and better than the pictures. I am unsure what they feed their girls on over in Eastern Europe. But as usual lovely toned fit and good enough to eat.

The Story:

Eva has a brilliant manner which helped me relax as I enjoyed the delights on offer and indeed the conversation after. We ran through the full gamut of activity, positions and I finished with my favourite while I watched in the larger mirror. This girl has an ass to die for.

I would recommend Eva she is a class act and as with all the girls from One2one and its former name. They are very, very good at what they do.
