The Premises:

Room was clean but abit cramp and not very well air conditioned so was quite warm and sweaty but not for obvious things. Had a shower in another room which was much nicer.

The Lady:

Not as tall as described or that looks in pictures. Probably one of the only times the pictures dont look the same as the girl. But thats not to say she was not attractive. She is very attractive.

The Story:

Punt wasnt what I wanted. This wasnt the ladies fault as she made a point that certain things should have been confirmed first.

There was no kissing or reverse oral allowed and the moans of pleasure seem abit too forced. Not a completely satisfying punt as had much better but not terrible as Megan was very friendly from the of set with lots of eye contact. Also paid for 45 minutes but only receive 30 so had to request some money back from reception.
