The Premises:

The Gallery is a specially adapted flat above shops in quiet high street. Well managed & clean. Discreet access from rear car park. The Gallery is more expensive than all the other main parlours in Gtr Manchester, but the service, whilst good, is no better than the others. Still it means its easy to get an appointment.

The Lady:

Brunette, shoulder length hair. Pleasant quietly spoken. OK looks. Nice figure - not boney, not fat. Fantastic mid-size breasts - easily the best implants I have ever felt/seen. Those who are put off by implants (like me) will have their opinion varied here. Completely natural feel.

The Story:

Very enjoyable time. She dressed in my chosen clothes without fuss. I abandoned my plans for a fantasy and just concentrated on Sienna's lung covers. Superb. She has a nice touch and responded well to requests. Opted to end with breast relief (without) which she worked really well.
