The place was not bad, suitable for the occasion, clean room and felt safe.

Blonde lady who is English born and bread in UK. I say about size 8 she says that she is 20 years old but looks in her mid to late 20's.

The Story:

This visit was a real bad and dissapointing visit for me!

Received a very poor and cold tretment, did not seem as she was enjoying it one bit, just gave a touch on my body, slipped the condom on and thats all, She seemed as she was in a rush to finish me off and was constantly asking me whether I had cum which was really off putting.

I cum and couldn't continue, left after about 10 mins of it all starting, she seems like a nice lady when you first come in contact but than she changes, maybe she was having a bad day but go home if you not up for a shag girl!

She was dissapointed to see me leave but I just couldn't stay. I would recommend to punters because it is worth meeting someone new and she did overall try to make me stay so she could do better as she was aware of what she done but once you say you are going you got to go.
