### The Story:

Dee Dee entered the bedroom wearing a red bra and pants set tied at the sides. she went straight into giving a big hug and french kisses rubing me down there to arousel. she then dropped to her knees to give owo and we havent disscused payment yet . went into a bit of massage her telling me "take time no hurry" . couldn't wait had to get her up on my face for a long time giving her oral, lots of eye contact all the time. i then asked her for WS and she asked could i drink it . went to bathroom and i lay in bath while she squatted over my face and asked me to open my mouth wide. at this point i had a great view of her anus and pussy. pee pee gushed out of her more than i expected and i couldn't gulp it down fast enough. I had her pee pee all over my neck, face and shoulders. she washed me down,toweled me dry and we went back to the room. she then went into a fantastic OWO going on to CIM pushing a finger so far up my anus i couldnt hold back . next time i see her i will make sure i go to FS thats to look forward to ... what a great body she has, dedicated to pleasing the man as most thai girls are " we can do anything you like, i only want to make you happy , its my job to please you. " I was pleased allright ..
