The Lady:

Slim girl, similiar to photos though not as nice plus her hair has funky colour highlights when I saw her.

The Story:

I had first seen Naomi about a year and a half ago when she was new in the business and just moved over from Poland. Sweet girl with a nice slim body provides reasonable OWO and sex in various positions - no kissing due to her health concerns which I can understand if she has been in the business for the period of time. Second round was OWO followed by hand relief at my request. Decent follow-up experience with her but had a better time previously. Could be as my appointment was latish that she was a bit on the tired side.
