The Premises:

The agency was very helpful when I got lost trying to find Amelle's flat they directed me to the right location they did say if you have any problems in finding her flat call them, which I found reassuring. And the flat was clean, tidy and well cared for.

The Lady:

A delightful lady, amelle knows how to please a gentleman, her breasts were small but she was dressed in a mini skirt suspenders and stocking and a little see through top. She had makeup on and she was wearing high heels she was hot and Horny.

The Story:

She gave me a glass of wine and we had a little chat, then I quickly showered and went into the bedroom I sat on the bed, then she leant over with her hand and was stroking me on the tops of my legs and in-between my legs and then giving me lots of dfk which was turning me right on. I was delighted to see that this girl was loving every minute in teasing me, she is a true professional we took it very slow, which was very pleasurable it was relaxing and the best part was the sex. When we finished, I said to her do you like your job she just smiled. This is one girl that I would recommend
