The Premises:

Sandy is doing a bit of renovation work to her beautiful country cottage but her home is still immaculately clean and tidy. Certainly very safe and not overlooked

The Lady:

As has been said before in numerous other posts, her photos do not do her justice. She is absolutely stunning and only a delicate hint of make up needed as she is naturally beautiful

The Story:

WOW, at last I have found what I have been searching for and now understand the true meaning of GFE, the only problem is that Sandy lives over 200 miles from my home in Devon.

Sandy lives out in the countryside and as I don't have sat nav or know the area she was kind enough to talk me through almost all of the directions to her home from the moment I left the motorway.

I was met at the door by the gorgeous Sandy wearing a little black dress which showed off her figure perfectly but didn't make anything obvious and when I followed her into the kitchen for a drink I caught a delightful glimpse of her stocking tops just showing from the small split in the back of her dress.

We then moved to the lounge for a nice chat which helped settle my nerves as Sandy made it feel as if we had known each other for years, she is so easy to talk with, intelligent and knowledgeable.

We then almost effortlessly made our way to her spacious bedroom for some fun where Sandy revealed her fantastic body just wearing hold ups and fine lingerie.

I will not go into details as to what actually happened in the bedroom but it was a perfectly enjoyable and sensuous time. She certainly knows how to make you feel special and as if you are the only man for her.

I am very envious of the guys in Hampshire who are able to enjoy Sandy's company on a regular basis you don't realise how lucky you are to have a woman such as her nearby.
