### The Premises:

Victoria house is well reported but seems to have lost its way a little. The atmosphere around the place has changed (for the worse in my opinion) and this is probably due to the high number of staff changes over recent months.

### The Lady:

Very, very attractive but not in a makeup model way, its natural!

Size 8-10 at a guess with curves in the right places. Mid twenties with a lovely, bubbly personality.

### The Story:

If Carling made escorts??? Brooke would be the role model! Sweet, articulate, sensual, genuine with a playful & naughty side. Will make you feel so special and valued. No intimate detail here, but take it from me you will not find better company than the lovely Brooke. Please treat this lady with respect, she is a real diamond.

Thanks for another great time princess, see you soon.
