### The Premises:

A bit rough, but tidy and clean and, as has been reported before, Vicky (and her friends - threesomes are available!) are moving soon.

### The Lady:

5'8"ish, slim, but curves where they should be, indeed a fantastic figure (especially when viewed from a doggy position - but more later!). Mid twenties I would guess, and pretty, overall very much the sexy girl next door you've always wanted to fuck. And with a glint in her eyes....!!

### The Story:

The glint does not deceive: Vicky loves sex! I think she would be up for most things, and we did a few! Kissing (FK and more), oral (with, but very good), RO (with my fingers everywhere, and she certainly seemed to love it), 69, then sex in cowgirl and doggy (what a view: I glad I was getting a little tired by that stage, or I would have cum from just looking!). I eventually came on her breasts, but only after 45 minutes or so: what a session!

Vicky is also intelligent and funny: this girl has everything. I'm glad I don't live in Newport or I would be broke in a month!

Will I return: you bet!!
