The Lady:

shortish busty indian girl ,good body but face somewhat tired looking?

The Story:

sonia entered the room quite offish? which did not help me at all , alarm bells starting ringing in my head,

she looked tired and in need of some serious kip

did not exactly smell the best either,

she started straight into a half hearted bj no foreplay at all and she did not even like me kissing her neck??

i was only slightly erect (i can't get a good boner when its like this?)

managed to cum but felt cheated i guess,, i should have waited to see sabrina as shes quite good (gives great foreplay) ive been to see her before.

my words to sonia are give it up girl this is not for you
