The Premises:

GFE is a well known location though the signs which were in purple have been blacked out. I think they have the most informative best website i have come across. The man on reception was very good and i had the big room on top floor with sower and the cage. Today i was going for 2 girl experience.

The Lady:

Candice is a stunning platinum blonde, 5f 6in, nice breasts and figure, with a pussy ring (discovered later) and Emmie is a lovely blonde with lovely bod too, at 5ft 7 in. Both about 34dd i think.

The Story:

This is a man's fantasy and i lasted 35 mins of my 45 session where i got lot of deep kissing from both ends. We just rolled and tangled in the big double bed and used the cage for the doggy positions. Emmie was great as cow girl thugh i guess Candy teased her about the nick name. They were lovely below and above. Man i still think of the encounter. Love to do this again with an ideal pair.
