### The Story:

First visit to Scorpio for some years, lots of girls available, mainly Easter Europeans. Haylie was an easy choice, she has a natural sexiness, my intention was to treat myself to 2 girls. Once in the room I asked her if she would choose another girl to join us, she said that though there are girls she enjoys working with she hadn't done it with any of those present. Rather than have her do it reluctantly I chose to leave that for another day. Nice back massage with plenty hands going through to my balls and cock. Flip over at her prompting and straight into a nice slobbery OWO, lots of eye contact and tongue. Got her to lie down and sat my balls in her mouth, decided to chance my luck by moving up a bit to put my ass on her mouth, quick rasp of her tongue over my anus before she made it clear that would cost extra. Balls back to her mouth until she finished me by hand over her cute face.
