The Premises:

On Bradford's 'Curry Mile' on Leeds Road, about 2 miles from the city centre, and next door to Akbar's Restaurant (note that there is a cafe of the same name closer to Bradford). The reception area is tatty and not discreet, but clean and the welcome is friendly. The rooms are old but quite acceptable.

The Lady:

Nadine was the only one of the 3 girls who was available. She is a tall slim white girl with nice breasts and a small cute bum. Not the sort I'd go for in real life but OK for short rental.

The Story:

Very pleasant and chatty but she had a terrible cold and should not have been working. I did not want to kiss her for this reason and it was a bit of turnoff, so after a quick OW I entered her (doggy then mish) and managed to come after a few minutes. Her simulated moans and words of passion were a turn off, and I was glad to get out and go for a curry.

The place is popular and has good reviews so I guess I was just unlucky to have chosen a girl who had an off night.
