The Lady:

Rosie is a tidy wee thai girl about 25, good breasts, slim and petite with nice round bum and annoying habit of not listening to what you say and constantly calling you dahling!

Her friend was a young thai girl with perfect body and enhanced breasts, she was absolutely gorgeous, who informed me she was 19.

The Story:

I first met rosie when she was working out of a flat in palmers green london by the name of angie, arranged this punt with her over the phone, got there and went straight in for a shower, was then brought into the bedroom and lay down on the bed whilst both girls gave me a massage.

Turned over for the fun to begin only to go through the process of both girls wiping my dick with wet wipes before sucking, despite me just coming out of shower, rosie propped my bum up on pillows and started to rim me whilst her gorgeous young friend was blowing me, this was fantastic and I just lay there in heaven, we then proceed to both girls blowing me which was phenomenal, finished off taking rosie anally in doggie style with her young friends head resting on the small of rosies back, built up a head of steam then pulled out, whipped the rubber off and launched a load into the girls mouth!

A great session for ?120!
