The Premises:

Ego massages facilities are absolutely spotless with a first rate massage table. The only let down was the lack of entertainment in the waiting area (only a few mags)and the shower although clean was a bit feeble. Parking was safe in free carpark. The building gives no indication of what lies within.

The Lady:

Annita is a very attractive Thai girl who commutes from London, unfortunately on the day of my visit there was a hold up on the trains so i had to wait 45mins for her to arrive hence the length of my stay. I'd say she was about 20years old with a schoolgirl figure

The Story:

started of with a quick shower while Annita sorted out the finances then we on with a very good professional standard massage both front and back, Annita then moved on to the old chap, her style suited me down to the ground and i managed to hold back the inevitable for longer than i thought possible, this complete it was back into the shower for a Sea Salt Scrub most invigorating. Overall a great experience but i think i need to track Annita down to a place that provides the extras that Ego doesn't a judging by her figure sex would be pretty incredible.
