The Premises:

Plenty of nearby parking (pay and display) area felt safe at this time of day discreet entrance with number on door, you walk in and press a buzzer for entrance through second door. First floor set of rooms nicely decorated and clean. The room I was in also had a nice shower in the room.

The Lady:

Chelsea is a Lovely smiley lady about early to mid twenties with shortish brunette hair about 5'4ish a 32Cish bust, and a really happy attitude. She told me she has recently returned to Newescape. She is a real joy to spend time with.

The Story:

We started with a massage that turned into anal play on me combined with ow, we then went into a sort of doggie with her bending right over whilst continuing the Anal play! The feeling was incredible and led me to explode in the condom much earlier than I usually do in a very intense moment that drained me. WOW!

I had originally wanted 30 mins. but as I had finished in a short time she said that will be the 20 min rate and only asked for ?45!!!, but it had been so good I gave her ?50.

I had visited the old newscape (which incidentally has now been demolished!) and this new location soon after they moved but I don't remember it being as nice as this, maybe they have redecorated. Anyway nice clean room and shower, fantastic lady who made me feel amazing, I definitely had my post punt silly grin on whilst driving home.
