The Premises:

I felt a little nervous as the entrance is just under an archway off the high street in Lutterworth, but once greeted by two ladies behind a desk, they advised which girls were available by pointing them out on pictures on the wall, but also advised there was a new girl called Tagen, who they asked to come and say hello. That was it, it was going to be Tagen without a doubt !!.

The Lady:

Stunning blonde, with a fantastic body. I got very nervous again at this point, but was soon put at ease with Tagen as we chatted. She told me she was a Fitness instructor which isn't hard to believe with a body like hers.

The Story:

She asked me to strip off and lay on the bed, she then stripped off to her knickers and proceeded to give me a great relaxing massage, putting me even further at ease with some nice chat. She gave me a great head and then jumped on top, I then asked if it was ok for some reverse oral which she was fine with and finished off with a hand job whilst stroking her beautiful body.

Had the time of my life and will be back soon.

Only negative was the bright red condom, a flesh coloured one next time please...

See you soon Tagen x
