As reported: perfectly safe place near Chancery Lane.

The Lady:

Pretty face; BEAUTIFUL eyes; long legs; nicely done (recent?) implants with super-suckable, sticky-out nipples; slim but not skinny; and a lovely smile.

The Story:

Was a bit thrown to start with, since I was expecting to see a returned Nadia who used to work there (they look similar in the photos on the site). But once I got over my initial surprise, I was happy to stay a full hour.

Not really any time-wasting. Personally, I could easily fall in love with this girl: she's just got that kind of sweet, pretty face. Very friendly, lots of positive encouragement, and made an effort to get into it. Did her missionary first shot, then doggy for my second round. More of a GFE than a pornstar, though you could happily put her in heels and fuck her brains out. I gave her another ?20 at the end because I liked the fact she made a genuine effort.

Well, long and short, if you like Asian girls, I'm happy to recommend her.
