The Lady:

good looking as most most of the girls are here. Spotted her on the website and called down. met her in reception and was a definite yes straight away

The Story:

Straight into the room and she wanted to get started straight away, but I needed a shower, she dragged me out and dried me off before making me all wet again by sucking my cock. Wanted to taste the gravy but she said she didnt like it, wtf? Tried the old finger up the bum trick and agin told thats not on the menus, but it is on the website. Anyway lost a bit of interest by this time so just let her suck away and earn her corn and eventually slushed all over her tits.
