The Premises:

A flat in Princess Street. Don't think you can find any bad flat in the area. Intercom works and got into the building with no problem. The actual flat is clean and with a big bed... enough for 2 people to do whatever they want.

The Lady:

Initially, I tried to book Linda at www.orientallinda.com. Turned out to be Coco. I was not disappointed tho. The photos can't really show the beauty of Coco. She is a sexy, fit(natural boobs) and friendly lady. Please, treat her well!

The Story:

Sorted the money out, took a quick shower. She took a shower after me too(?)... didn't take long tho. Then all the rest were actions in bed. English maybe a bit problem as she has just arrived UK and still attending English class. But well... I don't really expect too much verbal communication.
