The Premises:

Small, easy to find, Mayfair apartment. Perfectly safe. Good directions from agency.

The Lady:

Very pretty girl in her pics. Pics are a bit out of date; she now has long hair and a slightly more "Rubenesque" figure, but is still very pretty.

The Story:

This girl has been on my wish list for some time, and I was slightly dissappointed when I finally got to see her. Perhaps my dissappointment was because she has changed slightly from her pics, or perhaps I was expecting too much. She also costs slightly more than my usual upper limit of ?150 for an hour.

However she is very friendly and accommodating, with excellent english (incidentally she says she is Israli not Eastern European). She does excellent owo and the sex was good too. I did feel a bit rushed and was out the door a little before my hour; there seemed no question of a second round. She is available through several agencies and also independantly at www.vip-milli.co.uk
All in all this was a good punt, but I guess I just did not click
