The Premises:

Flat in a popular portered block on Queensway. Lots of people around but felt anonymous.

The Lady:

Very sexy Thai girl, greeted me wearing school uniform and was looking very slutty.

The Story:

Apple is a slut, she loved to be a naughty schoolgirl for me, and let me do anything I wanted to her sexy little body. I let her suck my cock and fucked her throat like the whore she is and told her to suck it like a good little slut. I came in her mouth and then she snowballed me passing it back before I spat my cum over her boobs. Later I told her to get on all fours like a good girl, and I fucked her tight arse while telling her shes been bad. She loved this and I finished by fucking her tight little pussy before coming over her face. Apple is a dirty girl and to change the saying, all I can say is treat her like a slut, she loves it!
