The Premises:

Scruffy. No music in the room either.

The Lady:

Like the Photos. Enhanced breasts, which are very firm. So obviously enhanced, nice to look at, but not so good to fondle.

The Story:

Not quite the experience I reckoned. Didn't connect at all. She needs to have a shower or a wash after previous punters, as you can smell them on her. No FK, no OWO.

Nicely positioned mirror, and nice to see a young tanned girl underneath me, legs in the air, as I fucked her. Two rounds only.
