The Premises:

Executive Massage is clean and tidy although I do not believe the shower is currently working. Entrance off main road plenty of car parking on street.

The Lady:

Jessie about size 10/12 about 36C at a guess not very good at this I think originally from South Africa on the phone has previously told me she is black. Natalie, white, smaller build and slightly younger with small pert breasts which were also very nice.

The Story:

Arrived to see which girls were working but was offered both and they said they were willing to give it a try. I had seen Jossie a couple of times before so knew what to expect and she did not let me down. Girls had not worked together before but were both into it immediately. It was a great hour with plenty of interaction, baby oil and everything else I would not hesitate to see them both together in the future. Thanks girls for a really great time.
