The Premises:

Made all the arrangements with Abbi either by email or text. She works out of a modern flat near Warrington Train Station. All very safe and discreet.

The Lady:

Attractive, blonde women with a fair set of enhanced breasts whom I'd say falls into the MILF category. Abbi is also very friendly and easy to get on with.

The Story:

Abbi offers a standard 30 minutes for ?50, but there is the option to upgrade to OWO for an extra ?15. She does ask if you want this and leaves it up to you, so don't be shy. I think the only situation is you shower first at her place. This was my first visit to Abbi, so I wasn't sure of the form.

We started with a gentle back rub that turned a little more erotic as she stocked my balls. I turned over pretty quickly and she put a condom on me and started to give OW. She went into deep throat and I had to ask if she did OWO. Abbi said she did and mentioned the extra, which I readily agreed. I have to say it was worth it. It was deep and really good. Abbi has certainly got some excellent O?levels. This progressed on to a 69 before the condom was put on and she climbed on board.

I really enjoyed sex with Abbi, especially as she has me hard as a tent pole. We tried a bit of tit wanking before she brought me to a climax with a hand job.

It?s unusual for me to see a girl that doesn't kiss (I knew this from her website), but I?m glad I did with Abbi. She?s a lovely girl who gives an awesome blow job and is well worth a visit.
