### The Premises:

Basement flat near PO Tower. Clean safe. Nice room, candle lit,

### The Lady:

Slightly smaller than expected but cute. Very pretty. Very nice breasts which literally popped out when she shed her top.

### The Story:

Good quality punt. She speaks reasonable english, is energetic and wants to please. Very good body, shaven pussy. Put on a porno DVD when we were rolling about the bed. Good OWO. I was tired after visiting one of her "friends" an hour earlier (glutton when away from home) so only managed one pop, which, after some enjoyable OWO and mish was a hand job to come over her tits and throat. Good massage afterwards and met her flat mate in the corridor naked (me not her!) when I went for the shower. A double act is offered and Jennifer says she is happy to do a full lesbian show while you pleasure either one. Sounds worthwhile for a revisit!
