The Premises:

Near Marble Arch, good safe block with alarmed entrance. Up 1 flight. Smallish room but perfectly okay (I wasn't there for the ecor)

The Lady:

Tall, beautiful, shaven. Laotian lady with massive breasts - at least DD/E. Must be enhanced but didn't seem to be hard. Smiley and very nice.

The Story:

Good kisser, Good OWO, willing to do anything but at 1 a.m. I was tired so we restricted it to OWO and then some hard mish before finally pulling out, losing the rubber and spraying her magnificent breasts while pounding between them. Well I mean you had too didn't you? Shot a load over her throat and chin. She is a happy smiley attractive woman who speaks fairly decent english. Willing for anything - A was on offer but I was too tired. She did enjoy the DATY and came quivering fairly quickly. Nice clean pussy. Worth a revisit. She claims to live with a TS flatmate and is willing to consider a double act. Must say I am tempted. Nice lady treat her well.
