The Story:

Victoria had dressed up as a business woman, as I requested and WOW what a woman, I was lost for words. I was offered a drink, and we both spent some time chatting which I really enjoyed. She has a lovely personality and certainly very intelligent.

We then moved onto the usual caressing, undressing, french kissing, OWO, sex in various positions. This was great, especially the kissing. This girl really knows how to use her tongue.

Overall I felt this was the best GFE I have had, and will certainly be back. I had ran over my time, as we were having such a great time, however she didn't mind. Please treat her with respect.
